

How to use our interactive Bring and Buy Form

Our Bring and Buy Form has been created so that you can fill it in on your computer. You can also just print it out and fill it in by hand.

You should only use Bring and Buy forms issued by us for the Cavalier event in the current year. Forms from the previous year will not be accepted.

The number on the form is created by us, and should only be used for the 10 entries on the form. Please do not add extra sheets of paper with additional entries, just ask for more forms.

Fill in your name in the boxes provided and put in your contact details.

In the Brief Description Field there is a 60 character limit. Put in details of the item you are selling.

In the Price box, put in your selling price. The '£' will be entered automatically, and you can enter any number between 1 and 999. Putting in a decimal number will work

All you have to do next is print the form(s) out and bring along with your items (don't forget!). Just to reassure you, the blue shading and red outlines that may appear on screen will not be printed.

The forms in use will be retained by TWWS at the end of the show so if you wish to retain a copy for your records you should print an extra copy of the form.
